

Lead on Purpose - Leadership Development Program

Lead on Purpose is an interactive program that builds leadership skills and provides tools to aid in becoming an effective, innovative leader that can get people motivated and focused on the goals of the organization. This program covers one key leadership topic as identified below in the “What Will Be Covered” section in a series of one-day workshops that enables Leaders to delve deep and build out greater capabilities. The one-day workshops can be done over the course of 3 months to one year. Additional topics can be added or removed from the curriculum depending upon the needs of your organization. The outcome is a more proficient and effective Leader. Workshop length and content can be customized to meet your training needs.

How You Will Benefit:
