

## **Leading Virtually in the New Workplace**

The global crisis has fundamentally changed our world. Our way of operating has been altered definitely, and indefinitely. What makes this moment even more unique is that the changes are likely to remain. So how can leaders who are not accustomed to working in a virtual office excel, and just as important enable their people, their teams and the business to excel. In this three-part series you will be reintroduced to critical leadership competencies and discuss ways to do it remotely and create a culture for success.

### **How You Will Benefit:**
