

New Managers Program: Developing the Skills You Need to Lead

Transitioning into a new managerial roll can be extremely scary. It is not easy being a new manager. That is why it is extremely important that as you transition into your new managerial role that you learn the skills you need to lead. You now have the responsibility of not only leading yourself but a team as well. This will pose its own unique set of challenges and opportunities that you will need to deal with every day in the workplace. This workshop will give you the opportunity to develop the critical skills of planning, leading, and communicating for maximum managerial success. Workshop length and content can be customized to meet your training needs.

How You Will Benefit:

- Understand the scope and nature of the supervisory position.
- New ways to deal with the challenges of the role.
- Recognize the responsibilities you have as a manager, to yourself, to your team, and to your organization.
- You will identify key techniques to help you plan and prioritize effectively.
- Develop strategies for leadership, team building, communication, and motivation
